Education

PhD, Human Ecology: Civil Society and Community Research

August 2017-July 2020

Dissertation: Collaborative Complexity in Community-Based Research and Evaluation
Minor: Quantitative Methods in Evaluation
University of Wisconsin-Madison, Madison, Wisconsin

MS, Counseling Psychology

January 2013-June 2015

Thesis: A Structural Approach to Measuring Contextual Factors in Dyadic Adjustment
Honors: Outstanding Student Research
Southern Methodist University (SMU), Dallas, Texas

BA, Biology, English Literature (Premedical Track)

August 2008-May 2012

Southern Methodist University (SMU), Dallas, Texas

Continuing Education: NIH K99/R00 Award

RSiena Advanced Users Workshop

July 2023-August 2023

University of Oxford, Oxford, England

Design, Conduct, & Analysis of Trials in Preventive Science

August 2023-December 2023

Harvard University, Boston, Massachusetts

Continuing Education: Certificates

Complex Systems Science Certificate

May 2019-July 2019

Santa Fe Institute, Santa Fe, New Mexico

Academic Appointments & Professional Experience

Teaching Responsibilities and Training

Postdoctoral Scholar

CH-1 Introduction to Community Health (2 sections)	September 2022 – May 2024
Primary Instructor, Department of Community Health, School of Arts and Sciences, Tufts University	
Undergraduate class size: 30 students each section	
NUTR-0285 Nutrition and Racial Inequities	January 2022 – January 2024
Primary Instructor, Friedman School of Nutrition Science and Policy, Tufts University	
Graduate class size: 12 students	
Obesity Research	May 2021 – January 2024
Internship Coordinator, The Tufts Institute for Global Obesity Research, Friedman School of Nutrition Science and Policy, Tufts University	
Undergraduate cohort size: 6 students	
PH-285 Evaluation of Health Programs	July 2022 – July 2023
Primary Instructor, Department of Public Health, School of Medicine, Tufts University	
Graduate class size: 24 students	
Community-Based Research and Health Disparities	December 2020 – May 2021

Co-Director, Diversity Fellows Internship, Friedman School of Nutrition Science and Policy, Tufts University
Undergraduate cohort size: 6 students

PhD Candidate

SOHE-078 Transformative Evaluation

August 2019 – May 2020

Teaching Assistant, Department of Civil Society and Community Health, School of Human Ecology, UW-Madison
Graduate class size: 18 students

SOHE-079 Transformative Evaluation and Mixed-Methods

May 2019

Guest Lecturer, Department of Civil Society and Community Health, School of Human Ecology, UW-Madison
Graduate class size: 12 students

Community-Based System Dynamics & Complex Systems Science

May 2019 – July 2019

Instructor, Santa Fe Institute
Graduate class size: 48 students

Mixed Methods in Evaluation

January 2019 – May 2019

Teaching Assistant, School of Human Ecology, UW-Madison
Graduate class size: 12
